Employment Statistics	Employment statistics substantiating these placement rates are available for inspection upon request. Data may be de-identified as necessary for compliance with state or federal law. Graduate Placement Rate includes graduates who obtained full-time, non-temporary jobs in their field of study. Total Placement Rate includes students that enrolled in the program during the last two calendar years who obtained full-time, non-temporary jobs in their field of study.							
Your Loan Debt	You must repay money that you borrow as student loans to pay for this program, including interest. You must repay any portion of the money you borrow to pay for this program, even if you fail to complete or drop out of the program. Failure to repay student loans is likely to have a serious negative effect on your credit, future earnings, and your ability to obtain future student loans.							
Loan Nonpayment Percentage <sup>4</sup>	Defined by MA 940 CMR 31.03 as the sum of: (a) the most recent federal cohort default rate (as calculated pursuant to 34 CFR Part 668, Subparts M and N); and (b) the percentage of student borrowers in said cohort, other than those borrowers in 940 CMR 31.03: Loan Nonpayment Percentage(a), whose Stafford loans, at the time the most recent cohort default rate was calculated, were in deferment or forbearance (c) the percentage of student borrowers in said cohort, other than those borrowers in categories 940 CMR 31.03: Loan Nonpayment Percentage(a) and (b), who defaulted under the terms of institutional loans during the cohort default period. 41.92% (2017) and 86.35% (2018) of students in the Phoenix, AZ OPEID (021005), which includes the Phoenix, AZ, Orlando, FL and Sacramento, CA campuses, defaulted on, or failed to repay, their loans during period 2017 and 2018.							
Program Cost	Defined by MA 940 CMR 31.03 as the tuition and fees charged for completing a program, including the typical costs for books and supplies (unless those costs are included as part of tuition and fees) the cost or oom and board (whether on or off campus), and transportation.							
Graduation Rate	Defined by MA 940 CMR 31.03 as the number of students who received certificates, diplomas, or degrees in the program during the latest two calendar years, divided by the number of students who enrolled in program during the latest two calendar years. The graduation rate shall be determined within 180 days from the end of each calendar year.							
Graduation Time (Median Completion Time)	Defined by MA 940 CMR 31.03 as the median duration of attendance in months, rounded to the nearest month, of all students who obtained a certificate, diploma, or degree from a program during the latest t calendar years.							
Graduate Placement Rate <sup>3</sup>	Defined by MA 940 CMR 31.03 as the number of students obtaining full time (at least 32 hours per week) and non-temporary employment in the field of study during the latest two calendar years for which the school has obtained verification, divided by the number of all students graduating from the program during the latest two calendar years. The graduate placement rate shall be determined within 180 days from end of each calendar year.							
Total Placement Rate	Defined by MA 940 CMR 31.03: The product of the graduate placement rate and the graduation rate. The total placement rate shall be determined within 180 days from the end of each calendar year.
